

Instructions for *i-Ready* Login at Home:

Please follow the below steps to access *i-Ready* Instruction from your home computer. This is the preferred method to easily access this online instruction opportunity for your child!

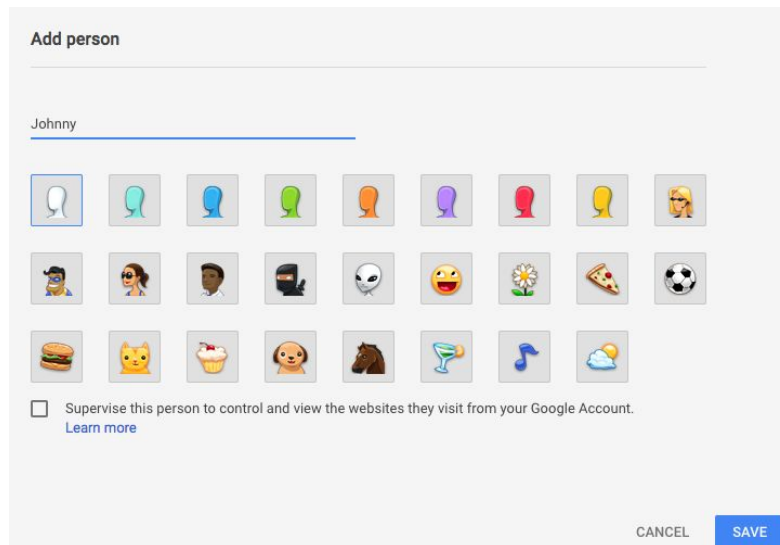

1. Download Google Chrome Browser on your desktop or laptop computer if you do not already have it installed: <https://www.google.com/chrome/browser/desktop/index.html>
2. Open the Chrome Browser
3. Create Profile: In the top right corner you will see your name (if you are logged into the browser yourself), a silhouette man, or the word guest.

- a. Click this area and select Manage People

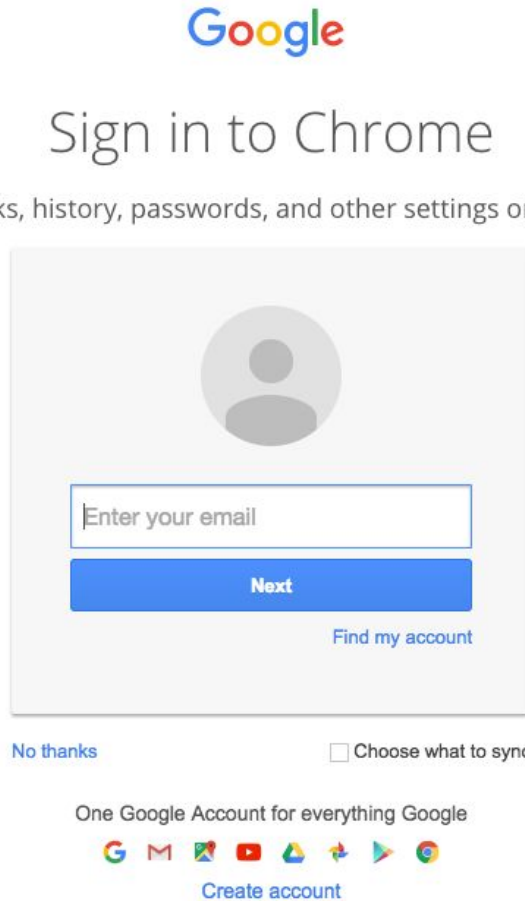

- b. Select Add Person
- c. Name the profile and select SAVE

- d. A new window will open. You will see you child's name in the top right corner.

Instructions for *i-Ready* Login at Home:

4. Sign into Chrome: Type your child's Redmond School District provided email address (example: 27jsmith@redmondschools.org) and select Next.

Sign in

Sign-in requires the format of just the username. Do not add @redmondschools.org here. For Staff use first.last and for students use nxxxxx, such as 18mmantle

Issues using this site to gain access to school sites and curriculum can be resolved by clearing the browser cache and making sure the browser is up to date.

Instructions for *i-Ready* Login at Home:

- a. Select to Link Data
 - b. Select Got It
6. Your child should now be logged into the browser and Google! A bookmark folder labeled redmondschools.org is now available in the address bar.
- a. Click the folder

- b. Select i-Ready
7. The first time you select *i-Ready*, the system will ask you to login to verify account information one additional time. After the initial setup, the *i-Ready* bookmark will directly login and access *i-Ready* Instruction for your child!
8. To easily navigate between users, setup profiles for each of your children. Then simply select the name in the top right and select a different user. This allows easy navigation and *i-Ready* login if you have multiple children.
